National Night Out 2020

Due to the current pandemic effecting everyone, the National Night Out organization with the National Association of Town Watch have strongly recommended that all NNO Events be celebrated on October 6<sup>th</sup>, which has always been a date recognized by the organization for the more southern states choosing to celebrate during a “cooler” month.

After much discussion between the Lincoln and Woodstock Police Departments and weighing all the pros and cons, it has been decided that the towns will postpone this years’ event in its entirety and will plan our next event for August 3, 2021.

This decision was not made lightly as we are aware of the events popularity and the pride we take in planning and bringing the community together during this event. However, we believe we are making the responsible decision with the current situation.

Some considerations for this decision included economic impact, the likelihood of inclement weather in October and the unknown status of the pandemic.

Although we are disappointed not to have the event this year and will miss seeing you, we are looking forward to the biggest celebration yet in 2021!

Sincerely,

Kara Baker  
Lincoln Woodstock NNO Committee Chair
